

Christ Is Alive [Lyrics, 4/4]

[Colonial Heights] by David Leonard

VERSE 1

I was lost in darkness
I was blind, wandering hopeless
Till He called me into the light
Though my sin had enslaved me
Jesus came to redeem me
He broke my chains, He called my name
It is by grace I am free

CHORUS

O see the cross where He died
The blood that was shed
All of our sins are forgiven
See the hope that is ours
The grave left behind
O Praise him for-ever
(*Band stop*) Christ is a-live

TURNAROUND

Oh, Christ is a-live

VERSE 2

All to Christ, my Redeemer
I will praise Him forever
With every breath I will sing

CHORUS

TURNAROUND 2

Oh, Christ is a-live
Christ is a-live
Oh, Christ is a-live

VAMP

BRIDGE

What is our faith
What is our sight
The hope we find
Christ is alive
What is our strength
What is our light
Through every trial
Christ is alive

BRIDGE 2

What is our life
Beyond the grave
That death has died
Christ is alive
To every tribe
To all the world
What will we say?
Christ is alive

CHORUS
