INTRO

VERSE 1

What boast have I
In wealth or fame?
Or works of hands
Which sin has stained?
What confi-dence have I to take
Or peace to find, save in your grace **Dsus**

CHORUS

My boast is in the cross
All else I leave be-hind
This truth is all I hold
My Savior cruci-fied
As surely as He died
I know He lives a-gain
O praise to the Father
For-ever a-men **Dsus**

VERSE 2

Where shall we look
In troubled times
When fear a-bounds
And faith sub-sides
To this we call our anxious minds
The frame where Christ
Laid down His life

CHORUS 2

Our eyes be on the cross
All else we leave be-hind
This truth is all we hold
Our Savior cruci-fied
As surely as He died
We know He lives a-gain
O praise to the Father
For-ever a-men

BRIDGE (Play 3x)

Sing now, we're forgiven
All our sins are washed a-way
Jesus, our sal-vation
Come and glori-fy His name

INSTRUMENTAL

VERSE 3

What hope is ours
What shall we say?
For as the sun
Our life will fade
The power of death no longer reigns
For Christ has over-thrown the grave

CHORUS 3

We thank You for the cross
All else we leave be-hind
This truth is all we hold
Our Savior cruci-fied
As surely as You died
We know You live a-gain
O praise to the Father
For-ever a-men

CHORUS 4

We thank You for the cross
All else we leave be-hind
This truth is all we hold
Christ Jesus cruci-fied
As surely as You died
We know You live a-gain
O praise to the Father
For-ever a-men
